Children with disabilities who are in need of specialized accommodations (example: a sign language interpreter or permission to be accompanied by an attendant) must identify themselves to the Horizons for Youth Program by calling 610-861-4120. **Parents will be required to complete an information form and provide current documentation of the disability. If you will be requesting special accommodations, your paperwork MUST be completed and on file in NCC's Accessibility Resource Center office by May 9, 2025 or 2 weeks prior to the start of class if you register after May 9, 2025.**

**Parent's whose child needs to be accompanied by an aide, TSS or MT are required to obtain and submit to the Horizons for Youth program all state and federal clearances for any staff that will accompany your child.** For a complete list of necessary documents refer to our website [www.northampton.edu/poconosummeryouth](http://www.northampton.edu/poconosummeryouth). Documentation and clearances should be scanned and emailed to [youthinfo@northampton.edu](mailto:youthinfo@northampton.edu). Students that need specialized accommodations and do not contact Horizons for Youth prior to the start of class or submit the required paperwork will not be able to participate in the class until parents/guardians have contacted the office and submitted the necessary requirements. See refund policy.

## PICK-UP/DROP-OFF OF CHILDREN

Parents must drop off and pick up at classrooms. You will be emailed details of locations prior to the start of the program. If you are a parent of a 6th-8th grade student and choose not to pick up your child from class, you must send a note giving permission for your child to meet you. Without a note they will not be released from the classroom. If someone other than a parent or guardian is picking up a student, you must send a note informing the teacher/counselor. Pick-up person must be at least 16 years of age. Please make sure that person has a photo ID with them.

Class starts and stops at exactly the times stated. Please be prompt in adhering to this schedule.

In the event of a legal issue, please inform the Horizons for Youth staff immediately.

Pocono HFY: 570-369-1881.

## SNACK POLICY

Please provide a healthy snack for the mid-morning break and afternoon break (if your child attends St. Luke's STEM and Sports Camp).

We strongly encourage that you pack a peanut free snack for your child. Some classes visit the vending machine or bookstore. Breaks are taken in the morning in order to allow for water, bathroom and parent provided snacks. Some classes include food as a part of their classroom activities.

# Policies and Procedures CONTINUED

## DISCIPLINE POLICIES AND PROCEDURES

Our program is designed to provide children with an opportunity to participate in unique group learning situations. Students that disrupt another student's ability to learn or who require more individualized attention may not fit into our program. To ensure all students have the opportunity to learn, all classes have rules that must be adhered to. **Please be sure to review our discipline policy at [www.northampton.edu/poconosummeryouth](http://www.northampton.edu/poconosummeryouth).** It will describe what constitutes inappropriate behavior and the consequences that may result. Extreme behavior may excuse your child from the remainder of the class without any refund, and may exclude your child from participation in our summer program in the future.

## PUBLIC SAFETY

NCC Public Safety joins all private higher education institutions in the Lehigh Valley, and 75% of campuses nationwide, who have armed police or security staff. The decision to move to a limited armed public safety presence at all NCC locations was made as a key step to better protect our college community and to enhance our response to critical incidents. Our continuing goal is to provide a proactive response to crime prevention and to embody a community oriented approach to public safety with a focus on customer service.

Northampton Community College's Public Safety Office works to ensure a safe environment for students, faculty, staff and visitors. Safety at NCC is a shared responsibility that every member of the college community needs to take seriously. We believe that the key to preventing crime is awareness. If you ever observe any person or activity that appears unusual or suspicious at any NCC location, please report it to the Public Safety Department:
