

Fall 2025 Luthier Program Payment Plan (Includes Room and Board)

We offer a payment plan that consists of four (4) total payments. The number of payments you owe up front depends on how late you enroll in the program (see below). The Luthier Certification Program must be paid in full by July 15, 2025 (30 business days before start of program). If final payment is not received by the due date, students may be withdrawn from the program and may forfeit previous payments, as stated in the Refund Policy. This deadline is to allow adequate time for the college to fill any vacancy. You are not enrolled until the document is signed and received by Northampton Community College. Confirmation email will be sent upon enrollment.

If you enroll into the program before April 1, 2025, you only need to pay a down payment of \$3,000 to enroll with three (3) remaining payments.

Due at enrollment	April 15, 2025	June 15, 2025	July 15, 2025

If you enroll into the program after April 15, 2025 and before June 1, 2025 you will owe the down payment plus the 90-day payment for a total of \$11,000 up front with two (2) remaining payments.
