 - 9 Baseball/Softball Diamond
 - 10 Tennis Courts
 - 11 Visitor Parking
 - 12 LANTA Bus Stop
 - 13 Wheelchair Access
 - 14 Golf Range

★ **Authorized Parking**

1. Applicants should fill out and sign this form.
2. A note from the attending physician is required. Such a statement should include a description of the medical problem, its limitations or restrictions, and the approximate length of time for which authorized parking would be needed.
3. For web users, print this form, mail or return it in person with proper documentation of disability.
4. Upon expiration, the individual will be reminded to return the parking pass to the Accessibility Resource Center (CC341). If an extension is necessary or the pass is needed for the next consecutive academic semester, contact ARC (CC341) as soon as possible. Upon re-evaluation of the circumstances, the request may or may not be granted for an appropriate length of time.
5. Parking passes that are not returned promptly when due, may be subject to actions such as withholding of grades or delayed registration for students. Authorized parking users who have not extended their privilege or returned their passes will be ticketed if found parking in these restricted lots.
6. Should the privilege of authorized parking be abused, the incident will be reported to the Dean of Students. Based on information received, the Dean of Students may revoke the privilege of authorized parking.

I understand and agree to observe the above requirements related to authorized parking privileges. Furthermore, I understand that this does not give me permission to park in the handicapped spaces (blue) nor does it guarantee the availability of space in these restricted lots.
